

THE GREG KELLY SHOW

Greg Kelly

Clever. Mercilessly Witty.

Every weekday from 1PM to 3PM ET, *The Greg Kelly Show* brings sharp insight, real experience, and a fearless voice to the national conversation on Red Apple Audio Networks.

More than a seasoned broadcaster, Greg is a former White House correspondent, Marine Airman, and a proud son of public service, as the son of former NYC Police Commissioner Ray Kelly. With a deep understanding of law enforcement, politics, and media, Greg offers a perspective that's both informed and refreshingly direct.

Listeners across America know Greg as the host of Greg Kelly Reports on Newsmax and former co-anchor of *Good Day New York* (WNYW-NY) and his ongoing success on 77WABC Radio and the Red Apple Audio Networks. On his show, he tackles the day's biggest stories with clarity, conviction, and a touch of wit, whether it's breaking political news, national security matters, or cultural conversations shaping the country.

With thoughtful analysis and candid commentary, *The Greg Kelly Show* delivers a must-listen experience that keeps audiences engaged, informed, and always thinking.
