

THE
STONE ZONE
WITH ROGER STONE

Roger Stone

Bold. Unfiltered. Relentless.

Every weeknight at 8PM ET, legendary political strategist Roger Stone delivers an hour of thought-provoking political insight in The Stone Zone, exclusively from The Red Apple Audio Networks.

A renown political consultant, best-selling author, and longtime advisor to President Donald Trump, Roger takes listeners inside the world of politics like no one else can. With decades of experience and a front-row seat to history, Roger brings a unique perspective that's both deeply informed and refreshingly direct.

From decoding media spin to revealing the tactics of the deep state, Roger cuts through the noise with unmatched clarity and unapologetic conviction. Whether your listeners are seeking the real story or a voice that speaks for the forgotten majority, The Stone Zone is a nightly shot of political adrenaline.

Roger Stone says what others won't and that's exactly why America listens.
