

THE ROGER STONE SHOW

Roger Stone

Your listeners will step into the inner circle of American politics with Roger Stone, every Sunday from 3PM to 5PM ET only from Red Apple Audio Networks.

With a career that spans the frontlines of presidential campaigns and the pages of bestselling books, Roger delivers two riveting hours of sharp political commentary, insider intelligence, and bold, unfiltered analysis.

As a legendary strategist and longtime confidant to President Donald Trump, Roger pulls back the curtain on the stories the mainstream won't touch, giving your listeners a rare, behind-the-scenes view of the political machine in motion.

From high-stakes elections to the cultural clashes shaping our nation, Roger Stone brings clarity, candor, and a commanding voice to every broadcast.

If you're looking to give your listeners the raw truth and real insight from a political heavyweight, this is their Sunday destination.
