

Beginning Monday, Nov. 6, the City of Jackson Department of Public Works (DPW) will begin the Fall 2023 Loose Leaf Collection Program. The City is divided into 10 sections for leaf pickup with two rounds of collection for each section. Dates are subject to change due to equipment and weather challenges.

The DPW asks residents to place loose leaf piles along curbs in the street. Placing leaves on the street level along curbs helps crews perform a more effective collection. Residents are urged to not put out leaf piles in the curb line of streets until 48 hours before their scheduled pickup. Having leaf piles in streets for long periods of time hinders street cleanliness, clogs storm drains, and can permanently damage pavement. Leaves will be the only material collected. It's also important for residents to remove vehicles and basketball hoops from streets when collection is happening in their neighborhood. Leaves will not be collected if they can't be reached by crews.

	ROUND 1	ROUND 2
Sections 1 & 6	Nov. 6 & 7	Nov. 27 & 28
Sections 2 & 7	Nov. 7 & 8	Nov. 29 & 30
Sections 3 & 8	Nov. 9 & 13	Dec. 1 & 4
Sections 4 & 9	Nov. 14 & 15	Dec. 5 & 6
Sections 5 & 10	Nov. 16 & 17	Dec. 7 & 8
