State of Missouri

Constitutional Amendment No. 2

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to regulate licensed sports wagering including online sports betting, gambling boats, professional sports betting districts and mobile licenses to sports betting operators;
restrict sports betting to individuals physically located in the state and over the age of 21;
allow license fees prescribed by the Commission and a 10% wagering tax on revenues received to be appropriated for education after expenses incurred by the Commission and required funding of the Compulsive Gambling Prevention Fund; and
allow for the general assembly to enact laws consistent with this amendment?

State governmental entities estimate onetime costs of \$660,000, ongoing annual costs of at least \$5.2 million, and initial license fee revenue of \$11.75 million. Because the proposal allows for deductions against sports gaming revenues, they estimate unknown tax revenue ranging from \$0 to \$28.9 million annually. Local governments estimate unknown revenue.

State of Missouri

Constitutional Amendment No. 2

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to regulate licensed sports wagering including online sports betting, gambling boats, professional sports betting districts and mobile licenses to sports betting operators;
restrict sports betting to individuals physically located in the state and over the age of 21;
allow license fees prescribed by the Commission and a 10% wagering tax on revenues received to be appropriated for education after expenses incurred by the Commission and required funding of the Compulsive Gambling Prevention Fund; and
allow for the general assembly to enact laws consistent with this amendment?

State governmental entities estimate onetime costs of \$660,000, ongoing annual costs of at least \$5.2 million, and initial license fee revenue of \$11.75 million. Because the proposal allows for deductions against sports gaming revenues, they estimate unknown tax revenue ranging from \$0 to \$28.9 million annually. Local governments estimate unknown revenue.

Constitutional Amendment No. 2

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to regulate licensed sports wagering including online sports betting, gambling boats, professional sports betting districts and mobile licenses to sports betting operators;
restrict sports betting to individuals physically located in the state and over the age of 21;
allow license fees prescribed by the Commission and a 10% wagering tax on revenues received to be appropriated for education after expenses incurred by the Commission and required funding of the Compulsive Gambling Prevention Fund; and
allow for the general assembly to enact laws consistent with this amendment?

State governmental entities estimate onetime costs of \$660,000, ongoing annual costs of at least \$5.2 million, and initial license fee revenue of \$11.75 million. Because the proposal allows for deductions against sports gaming revenues, they estimate unknown tax revenue ranging from \$0 to \$28.9 million annually. Local governments estimate unknown revenue.

restrict sports betting to individuals physically located in the state and over the age of 21;
allow license fees prescribed by the Commission and a 10% wagering tax on revenues received to be appropriated for education after expenses incurred by the Commission and required funding of the Compulsive Gambling Prevention Fund; and
allow for the general assembly to enact laws consistent with this amendment?

State governmental entities estimate onetime costs of \$660,000, ongoing annual costs of at least \$5.2 million, and initial license fee revenue of \$11.75 million. Because the proposal allows for deductions against sports gaming revenues, they estimate unknown tax revenue ranging from \$0 to \$28.9 million annually. Local governments estimate unknown revenue.

Constitutional Amendment No. 2

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to regulate licensed sports wagering including online sports betting, gambling boats, professional sports betting districts and mobile licenses to sports betting operators;
restrict sports betting to individuals physically located in the state and over the age of 21;
allow license fees prescribed by the Commission and a 10% wagering tax on revenues received to be appropriated for education after expenses incurred by the Commission and required funding of the Compulsive Gambling Prevention Fund; and
allow for the general assembly to enact laws consistent with this amendment?

State governmental entities estimate onetime costs of \$660,000, ongoing annual costs of at least \$5.2 million, and initial license fee revenue of \$11.75 million. Because the proposal allows for deductions against sports gaming revenues, they estimate unknown tax revenue ranging from \$0 to \$28.9 million annually. Local governments estimate unknown revenue.

State of Missouri

Constitutional Amendment No. 2

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to regulate licensed sports wagering including online sports betting, gambling boats, professional sports betting districts and mobile licenses to sports betting operators;
restrict sports betting to individuals physically located in the state and over the age of 21;
allow license fees prescribed by the Commission and a 10% wagering tax on revenues received to be appropriated for education after expenses incurred by the Commission and required funding of the Compulsive Gambling Prevention Fund; and
allow for the general assembly to enact laws consistent with this amendment?

State governmental entities estimate onetime costs of \$660,000, ongoing annual costs of at least \$5.2 million, and initial license fee revenue of \$11.75 million. Because the proposal allows for deductions against sports gaming revenues, they estimate unknown tax revenue ranging from \$0 to \$28.9 million annually. Local governments estimate unknown revenue.

State of Missouri

Constitutional Amendment No. 2

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to regulate licensed sports wagering including online sports betting, gambling boats, professional sports betting districts and mobile licenses to sports betting operators;
- restrict sports betting to individuals physically located in the state and over the age of 21;
- allow license fees prescribed by the Commission and a 10% wagering tax on revenues received to be appropriated for education after expenses incurred by the Commission and required funding of the Compulsive Gambling Prevention Fund; and
- allow for the general assembly to enact laws consistent with this amendment?

State governmental entities estimate onetime costs of \$660,000, ongoing annual costs of at least \$5.2 million, and initial license fee revenue of \$11.75 million. Because the proposal allows for deductions against sports gaming revenues, they estimate unknown tax revenue ranging from \$0 to \$28.9 million annually. Local governments estimate unknown revenue.

Constitutional Amendment No. 2

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to regulate licensed sports wagering including online sports betting, gambling boats, professional sports betting districts and mobile licenses to sports betting operators;
restrict sports betting to individuals physically located in the state and over the age of 21;
allow license fees prescribed by the Commission and a 10% wagering tax on revenues received to be appropriated for education after expenses incurred by the Commission and required funding of the Compulsive Gambling Prevention Fund; and
allow for the general assembly to enact laws consistent with this amendment?

State governmental entities estimate onetime costs of \$660,000, ongoing annual costs of at least \$5.2 million, and initial license fee revenue of \$11.75 million. Because the proposal allows for deductions against sports gaming revenues, they estimate unknown tax revenue ranging from \$0 to \$28.9 million annually. Local governments estimate unknown revenue.

State of Missouri

Constitutional Amendment No. 2

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to regulate licensed sports wagering including online sports betting, gambling boats, professional sports betting districts and mobile licenses to sports betting operators;
- restrict sports betting to individuals physically located in the state and over the age of 21;
- allow license fees prescribed by the Commission and a 10% wagering tax on revenues received to be appropriated for education after expenses incurred by the Commission and required funding of the Compulsive Gambling Prevention Fund; and
- allow for the general assembly to enact laws consistent with this amendment?

State governmental entities estimate onetime costs of \$660,000, ongoing annual costs of at least \$5.2 million, and initial license fee revenue of \$11.75 million. Because the proposal allows for deductions against sports gaming revenues, they estimate unknown tax revenue ranging from \$0 to \$28.9 million annually. Local governments estimate unknown revenue.

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to regulate licensed sports wagering including online sports betting, gambling boats, professional sports betting districts and mobile licenses to sports betting operators;
- restrict sports betting to individuals physically located in the state and over the age of 21;
- allow license fees prescribed by the Commission and a 10% wagering tax on revenues received to be appropriated for education after expenses incurred by the Commission and required funding of the Compulsive Gambling Prevention Fund; and
- allow for the general assembly to enact laws consistent with this amendment?

State governmental entities estimate onetime costs of \$660,000, ongoing annual costs of at least \$5.2 million, and initial license fee revenue of \$11.75 million. Because the proposal allows for deductions against sports gaming revenues, they estimate unknown tax revenue ranging from \$0 to \$28.9 million annually. Local governments estimate unknown revenue.

State of Missouri

Constitutional Amendment No. 2

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to regulate licensed sports wagering including online sports betting, gambling boats, professional sports betting districts and mobile licenses to sports betting operators;
restrict sports betting to individuals physically located in the state and over the age of 21;
allow license fees prescribed by the Commission and a 10% wagering tax on revenues received to be appropriated for education after expenses incurred by the Commission and required funding of the Compulsive Gambling Prevention Fund; and
allow for the general assembly to enact laws consistent with this amendment?

State governmental entities estimate onetime costs of \$660,000, ongoing annual costs of at least \$5.2 million, and initial license fee revenue of \$11.75 million. Because the proposal allows for deductions against sports gaming revenues, they estimate unknown tax revenue ranging from \$0 to \$28.9 million annually. Local governments estimate unknown revenue.

Constitutional Amendment No. 5

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to issue one additional gambling boat license to operate on the portion of the Osage River from the Missouri River to the Bagnell Dam;
require the prescribed location shall include artificial spaces that contain water and are within 500 feet of the 100-year base flood elevation as established by the Federal Emergency Management Agency; and
require all state revenues derived from the issuance of the gambling boat license shall be appropriated to early-childhood literacy programs in public institutions of elementary education?

State governmental entities estimate one-time costs of \$763,000, ongoing costs of \$2.2 million annually, initial fee revenue of \$271,000, ongoing admission and other fee revenue of \$2.1 million annually, and annual gaming tax revenue of \$14.3 million. Constitutional Amendment No. 2

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to regulate licensed sports wagering including online sports betting, gambling boats, professional sports betting districts and mobile licenses to sports betting operators;
restrict sports betting to individuals physically located in the state and over the age of 21;
allow license fees prescribed by the Commission and a 10% wagering tax on revenues received to be appropriated for education after expenses incurred by the Commission and required funding of the Compulsive Gambling Prevention Fund; and
allow for the general assembly to enact laws consistent with this amendment?

State governmental entities estimate onetime costs of \$660,000, ongoing annual costs of at least \$5.2 million, and initial license fee revenue of \$11.75 million. Because the proposal allows for deductions against sports gaming revenues, they estimate unknown tax revenue ranging from \$0 to \$28.9 million annually. Local governments estimate unknown revenue.

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to regulate licensed sports wagering including online sports betting, gambling boats, professional sports betting districts and mobile licenses to sports betting operators;
restrict sports betting to individuals physically located in the state and over the age of 21;
allow license fees prescribed by the Commission and a 10% wagering tax on revenues received to be appropriated for education after expenses incurred by the Commission and required funding of the Compulsive Gambling Prevention Fund; and
allow for the general assembly to enact laws consistent with this amendment?

State governmental entities estimate onetime costs of \$660,000, ongoing annual costs of at least \$5.2 million, and initial license fee revenue of \$11.75 million. Because the proposal allows for deductions against sports gaming revenues, they estimate unknown tax revenue ranging from \$0 to \$28.9 million annually. Local governments estimate unknown revenue.

Proposition A
Proposed by Initiative Petition

Do you want to amend Missouri law to:

- increase minimum wage January 1, 2025 to \$13.75 per hour, increasing \$1.25 per hour each year until 2026, when the minimum wage would be \$15.00 per hour;
- adjust minimum wage based on changes in the Consumer Price Index each January beginning in 2027;
- require all employers to provide one hour of paid sick leave for every thirty hours worked;
- allow the Department of Labor and Industrial Relations to provide oversight and enforcement; and
- exempt governmental entities, political subdivisions, school districts and education institutions?

State governmental entities estimate one-time costs ranging from \$0 to \$53,000, and ongoing costs ranging from \$0 to at least \$256,000 per year by 2027. State and local government tax revenue could change by an unknown annual amount depending on business decisions.

Constitutional Amendment No. 5

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to issue one additional gambling boat license to operate on the portion of the Osage River from the Missouri River to the Bagnell Dam;

State governmental entities estimate one-time costs of \$763,000, ongoing costs of \$2.2 million annually, initial fee revenue of \$271,000, ongoing admission and other fee revenue of \$2.1 million annually, and annual gaming tax revenue of \$14.3 million. Constitutional Amendment No. 2

Proposed by Initiative Petition
