CONSTITUTIONAL
AMENDMENT NO. 2

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to regulate licensed sports wagering including online sports betting, gambling boats, professional sports betting districts and mobile licenses to sports betting operators;
- restrict sports betting to individuals physically located in the state and over the age of 21;
- allow license fees prescribed by the Commission and a 10% wagering tax on revenues received to be appropriated for education after expenses incurred by the Commission and required funding of the Compulsive Gambling Prevention Fund; and
- allow for the general assembly to enact laws consistent with this amendment?

State governmental entities estimate onetime costs of \$660,000, ongoing annual costs of at least \$5.2 million, and initial license fee revenue of \$11.75 million. Because the proposal allows for deductions against sports gaming revenues, they estimate unknown tax revenue ranging from \$0 to \$28.9 million annually. Local governments estimate unknown revenue.

- ☐ YES
- ☐ NO

CONSTITUTIONAL
AMENDMENT NO. 3

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- establish a right to make decisions about reproductive health care, including abortion and contraceptives, with any governmental interference of that right presumed invalid;
- remove Missouri’s ban on abortion;
- allow regulation of reproductive health care to improve or maintain the health of the patient;
- require the government not to discriminate, in government programs, funding, and other activities, against persons providing or obtaining reproductive health care; and
- allow abortion to be restricted or banned after Fetal Viability except to protect the life or health of the woman?

State governmental entities estimate no costs or savings, but unknown impact. Local governmental entities estimate costs of at least \$51,000 annually in reduced tax revenues. Opponents estimate a potentially significant loss to state revenue.

- ☐ YES
- ☐ NO

CONSTITUTIONAL
AMENDMENT NO. 5

Proposed by Initiative Petition

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to issue one additional gambling boat license to operate on the portion of the Osage River from the Missouri River to the Bagnell Dam;
- require the prescribed location shall include artificial spaces that contain water and are within 500 feet of the 100-year base flood elevation as established by the Federal Emergency Management Agency; and
- require all state revenues derived from the issuance of the gambling boat license shall be appropriated to early-childhood literacy programs in public institutions of elementary education?

State governmental entities estimate one-time costs of \$763,000, ongoing costs of \$2.2 million annually, initial fee revenue of \$271,000, ongoing admission and other fee revenue of \$2.1 million annually, and annual gaming tax revenue of \$14.3 million. Local governments estimate unknown revenue.
