**WRIGHT COUNTY, MISSOURI
PROPOSITION**

Shall the County of Wright impose a local use tax at the same rate as the total local sales tax rate, currently 1.875 percent (%), provided that if the local sales tax rate is reduced or raised by voter approval, the local use tax rate shall also be reduced or raised by the same action? A use tax return shall not be required to be filed by person whose purchases from out-of-state vendors do not in total exceed two thousand dollars in any calendar year.

The purpose of the proposal is to eliminate the current sales tax advantage that non-Missouri vendors have over Missouri vendors.
