A few simple documents, like a power of attorney, a will, a health care directive, and a set of funeral or cremation instructions, can make all the difference in the world.

JOIN US FOR THIS 90-MINUTE PROGRAM & LEARN ABOUT:

Legal Tools — Wills, powers of attorney, health care directives...which ones are right for me?

Medicaid & Title 19 — How can I protect my money from the nursing home and other medical expenses?

Church Practices — How can I incorporate my faith into my planning?

Burial & Cremation Options — Make smart decisions and ensure that "everything has been taken care of."

Coffee, juice, and rolls will be provided.

We're hosting a community-wide program on Wednesday, April 19th, and we hope you can join us. Relax with your neighbors, enjoy a cup of coffee, juice, and rolls, and listen to a group of local experts discuss some very important topics.

This will be the perfect opportunity to get real answers to the questions you may have about legal issues, long-term care, funeral & cremation practices, and more.

Please feel free to invite a friend or family member to attend with you. Plus, everyone who attends will receive a FREE folder of take-home information.

Guest Speakers Include:

Legal Tools

Aaron Ahrendsen, Attorney at Law with EWSA Law Firm PC, will explain several of the legal tools and documents that you should consider, including powers of attorney, wills, and health care directives. Which ones are appropriate for your situation?
