Football Pickem Official Rules

The Registration Process

Each participant must complete the registration process to become eligible to play. The registration is a simple process that involves submitting a user's contact information, team name creation, and password selection. Once this process is completed, users will be directed to the home page where they can participate in the contest.

Playing the Game

Each week, the game operator will display the match-ups on the "make picks" page. The season starts with the first week 1 game and ends on the last week game. All picks must be made prior to 1pm ET on Sunday each week. Early games must be selected prior to the start of that early game. Players can save their early game pick and then make changes to Sunday games before 1pm ET on Sunday.

Team Performance

Each week the scores will be calculated and posted for viewing. The "Results" tab will detail a user's weekly and cumulative performance.

Scoring

Correctly predicting a regular season matchup will entitle the player to earn points. The points scale will be as follows:

Monday Night Games: 200 Points

Any Other Weekly Regular Season Game: 100 points

Winning the Game

Each week, every users score is posted on the standings page. Players with the most points are listed at the top. Tie-breaking rules will determine the rank for players with the same number of points. The “default game winner” is the player who has the most cumulative points at the end of the season after tie-breaking rules are applied. It is possible that the “default game winner” may not have a prize awarded by the media partner for their achievement. Check the “Prize” section to see what (if any) prizes are awarded and to see the requirements for winning that prize. If there are no prizes stated, then players are playing for bragging rights only.

If there is a tie for the Top Cumulative Standings Score (**Best Cumulative Score**), the following tiebreakers will apply:

- **Tiebreaker # 1** - Total number of correct picks for all weeks.
- **Tiebreaker # 2** - Total number of correct picks for all Monday Games.
- **Tiebreaker # 3** – Smallest tiebreaker absolute differential for the total score in the designated week’s tie-breaker game (calculated by: finding the absolute difference between the user predicted total score in designated week’s tie-breaker game and the actual score of the designated week’s tie-breaker game). If there is still a tie, then the closest to the absolute differential for the total score in the previous week’s tie breaker game will be the winner. The tie breaking will continue through previous weeks until a winner is determined.
- **Tiebreaker # 4** - Random drawing.

In all cases, an entry that does not win a tiebreaker is eliminated from consideration. Odds of winning prizes depend on the total number of eligible entries received and the relative pro football knowledge of all Entrants.

If there is a tie for the **Weekly Standings (Best Score In A Given Week)**, the following tiebreakers will apply:

- **Tiebreaker # 1** - Smallest tiebreaker absolute differential for the total score in the designated week’s tie-breaker game (calculated by: finding the absolute difference between the user predicted total score in designated week’s tie-breaker game and the actual score of the designated week’s tie-breaker game).
- **Tiebreaker # 2** - Total number of correct picks for the given week.
- **Tiebreaker # 3** - Correct predicted winner for the tiebreaker game matchup for that week.
- **Tiebreaker # 4** – Random drawing.

In all cases, an entry that does not win a tiebreaker is eliminated from consideration. Odds of winning prizes depend on the total number of eligible entries received and the relative U.S. football knowledge of all Entrants.

NOTE-- Media clients may offer weekly and/or grand prizes and set their own rules to determine these winners. Please contact your media client if you have any questions. While games are in progress temporary standings are displayed. These temporary standings will be updated shortly after each game ends in real time. Temporary standings become permanent once we release the Official Standings on Tuesday.

Public or Private Groups

Groups are available for any user who desires to form their own groups of their friends and co-workers. Any user can create or join a public group. Private groups can be created by any user and are password protected, allowing only users who know the password to join the group. Each user in a group will be ranked and sorted by their performance in their group. Private groups will have their own smack board, public groups will not. It is the private group creator's responsibility to provide the password to users wishing to join their group.

Standings

There will be two pages for the different standings: Cumulative Point Standings and Weekly Scores (for each week in the season). View the prize section to see what prizes (if any) are being awarded. If there are no prizes stated, then players are playing for bragging rights only. While games are in progress temporary standings are displayed. These temporary standings will be updated shortly after each game ends in real time. Temporary standings become permanent once we release the Official Standings on Tuesday.
