

**Subject:** DNH App to Be Discontinued Beginning of 2025-26 School Year

August 13th, 2025

Dear Families & Staff,

We are writing to let you know that the DNH mobile app will be discontinued at the beginning of the 2025-26 school year.

We made this decision based on the fact that the app largely duplicated services already available through other platforms. In particular, many families were receiving the same notifications and text alerts both through the app and via Infinite Campus.

Although the app is going away, our district will continue to share important updates through the following platforms:

- Email and text messages (be sure to double-check your contact preferences in Infinite Campus)
- Social media: [Facebook](#), [Instagram](#), [Twitter/X](#)
- TV stations: KWWL, KCRG, and KGAN
- Radio stations: KQCR 98.9/104.9

If you would like to enable or update your text alert settings within Infinite Campus, these permissions can be edited at any time. You will also have an opportunity to review your contact preferences during the annual registration process.

Thank you for your continued support as we work to keep our communication timely and accessible across our school community. If you have any questions, please contact the district office.

Sincerely,

The DNH Administrative Team
