

There is No Substitute for American Freedom and Exceptionalism

Our Republic is in a fight for survival, and this moment demands leaders who understand the threat, who have the spine to confront it, and who answer to God, the Constitution, and the American people. Jim Carlin is that kind of leader. That is why I am proud to endorse him for the United States Senate.

Jim is an Army veteran who took the oath to defend the Constitution and has never set it down. He is an attorney who has spent decades standing with ordinary Americans. He is a proven conservative legislator whose record matches his rhetoric. Above all, he is a man of deep faith who understands that this Nation was built on a foundation of liberty under God.

He has fought for election integrity, defended the sanctity of life, protected our constitutional freedoms, and put America First throughout his time in public service.

Make no mistake about what is at stake. This is a moment that calls for principled leadership, moral clarity, and the courage to act on conviction. Jim Carlin brings all three. He will defend the unborn, fight for our veterans, secure our elections, and stand shoulder to shoulder with President Trump to advance an America First agenda.

Iowa needs fighters in the United States Senate. Jim Carlin will stand his ground and fight for the people of Iowa with honor and resolve.

Jim Carlin has my full support.

Vote for him on June 2, 2026.

Sincerely,
