---	--	---	---

We inspire girls in 3rd-8th grade girls to be joyful, healthy, and confident using a fun, experience based curriculum that creatively integrates running. We host 2 programs - 1 in the spring and 1 in the fall where teams of 6-10 girls will meet safely in person or virtually on Zoom to create the connection between physical and emotional health that is strengthened along the 8 weeks and will teach young girls healthy habits for life. Disruptions and stressors related to COVID-19 have been detrimental to girls in our community: Stressors, uncertainties and fear are more prevalent, Physical distancing and lack of connection create feelings of isolation and loneliness, Confusion grows without the tools to identify and express emotions and that is why Girls on the Run matters NOW!
