

## Fundraiser for Hurricane Helene Victims

Please join us at Bubba's Good Eats for a special fundraising event to help two of our own families affected by Hurricane Helene. Olivia Ayers and Kaley Pogalz are waitresses here at Bubba's, and this storm has left them and their loved ones facing severe loss. We're coming together as a community to support them during this challenging time.

Come for a meal, stay for the cause! We will be open to serve the community breakfast, lunch and dinner the following Saturdays reserved for each family. 100% of the proceeds will go directly to the families affected to help cover necessities to rebuild what they've lost. Your support can make a huge difference in their recovery.

All donations are greatly appreciated!
