Additional Snowfall Totals

November 10, 2025
2:48 AM

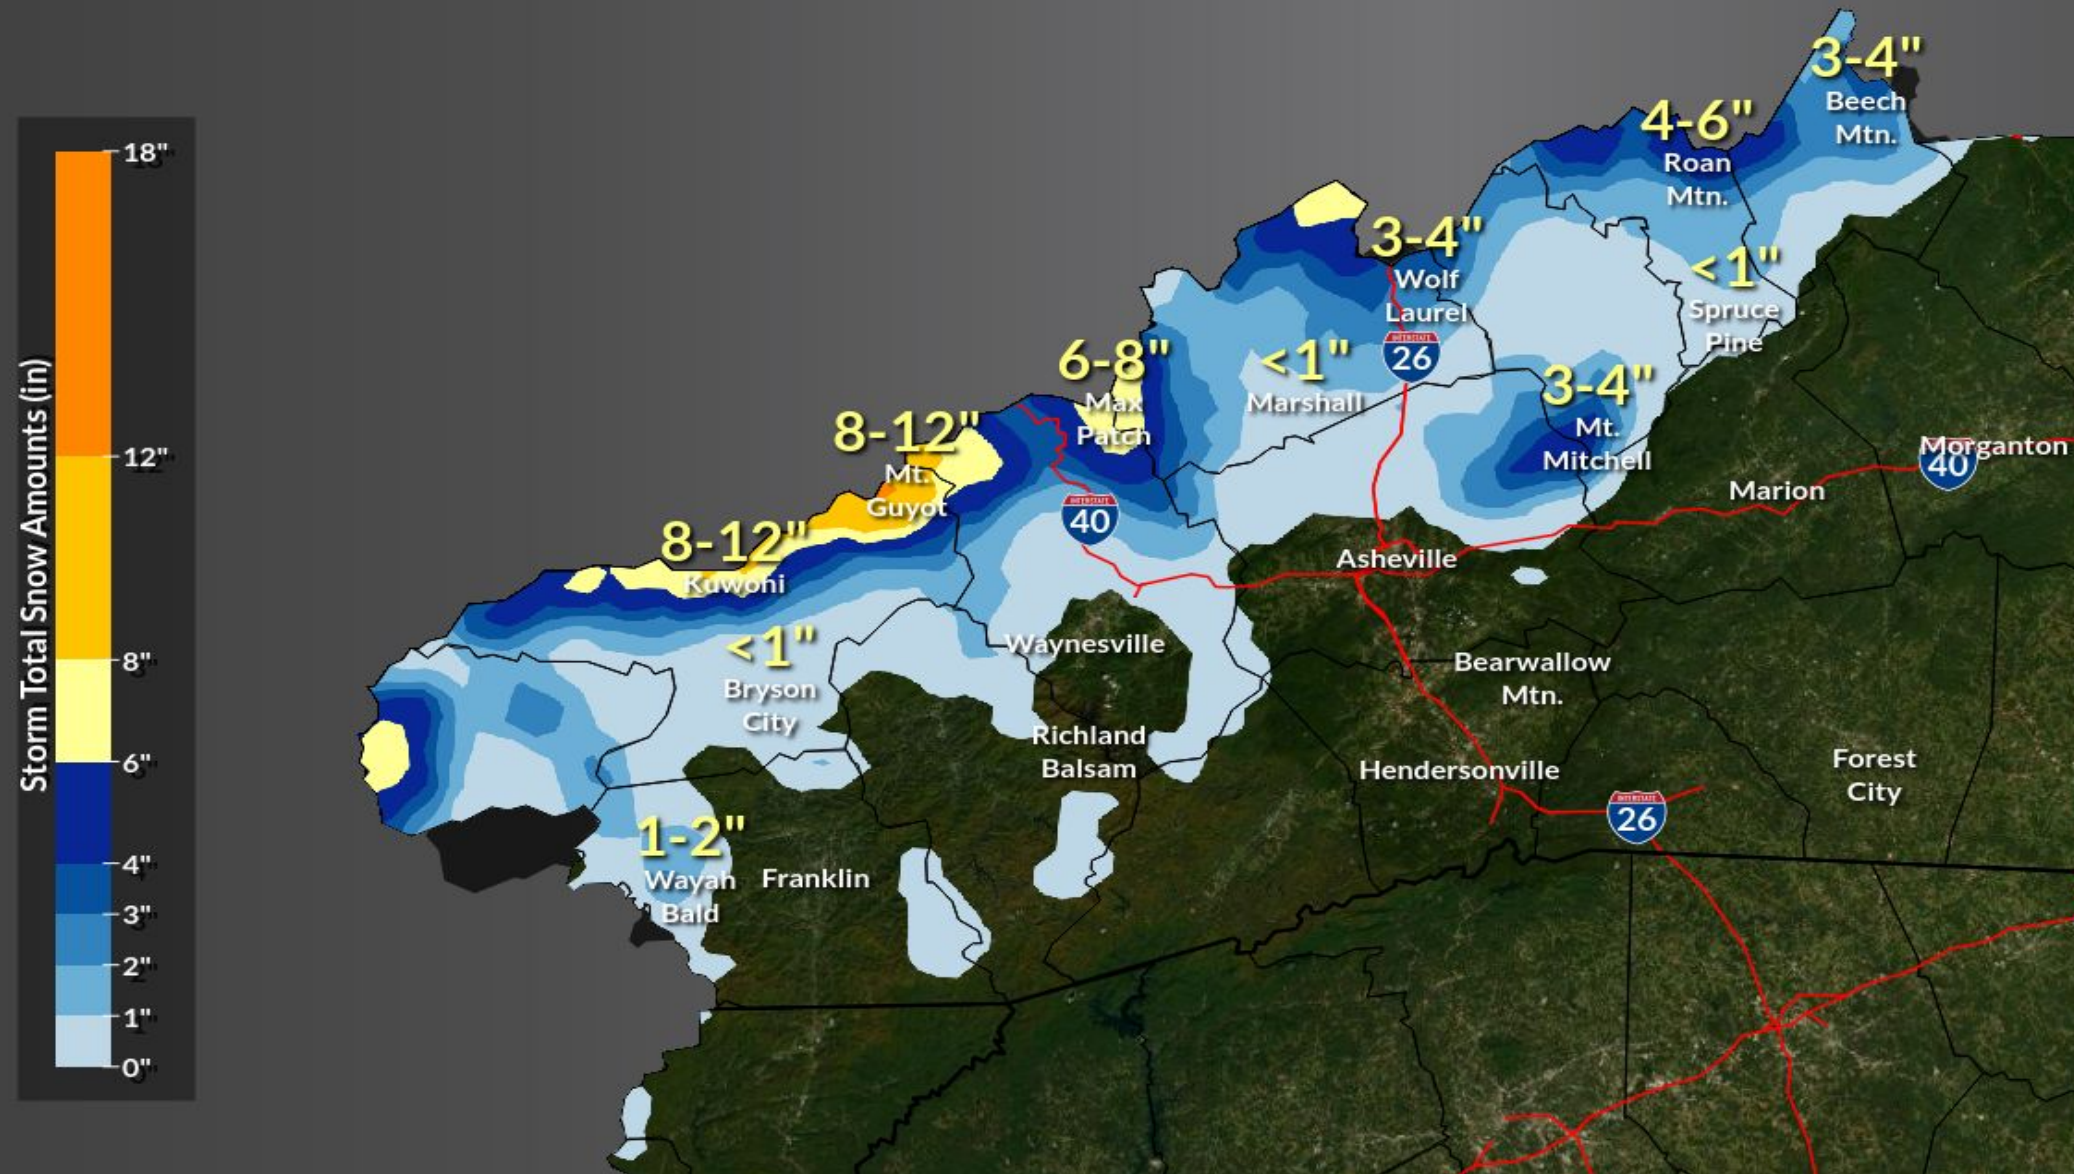

For the NC/TN Border Counties through 7 AM Tuesday

Hazard Details

- Generally 2 to 6 inches of snowfall expected for elevations above 3,500 ft along the NC/TN border.
- Highest amounts expected across the Smokies, with accumulations ranging from 8 to 12+ inches.
- Anywhere from a dusting to up to 3 inches of snowfall is expected across the valleys in Mitchell, Yancey, Madison, Haywood, and Graham counties.
- Very gusty winds may bring brief blizzard conditions to the highest peaks.
- Temperatures will likely not rise above freezing at the highest peaks until Wednesday afternoon, so it will take time for the snow to melt.
