A SPECIAL INVITATION TO MITCHELL COUNTY CHURCHES

YOU'RE INVITED

Faith360 and Mitchell County Emergency Management invite pastoral and church leaders to a practical conversation about preparing for the next emergency.

Andrew Brewer and John Masters of Mitchell County EMS will explain how the county responds when disaster strikes, how churches fit into that response, and whom to contact when your church or community needs help.

You will also have an opportunity to ask questions, share what your church experienced during Hurricane Helene, and connect with other church leaders. Whether your church has an emergency plan or is just beginning to think about preparedness, you are welcome.

TOGETHER, WE'LL EXPLORE

- What happens in Mitchell County when an emergency occurs
- How churches can communicate needs, resources, and wellness concerns
- Simple steps your church can take before the next emergency
- Lessons learned from Hurricane Helene, including donation management
- Mitchell Ready alerts, communication, and local resources
