As we take a moment to reflect on the incredible efforts that make our school community so strong and successful, I want to extend my deepest appreciation to each and every member of our school staff.

Your dedication, compassion, and tireless work do not go unnoticed. Whether you're teaching in the classroom, supporting students behind the scenes, maintaining our campus, or managing daily operations, your contributions are vital and valued. The energy and care you bring each day help create a safe, nurturing, and inspiring environment for our students to learn and grow.

You go above and beyond, often without recognition, to ensure that our school runs smoothly and that every student feels seen and supported. Your positive impact ripples far beyond the walls of the school—you shape futures and strengthen our entire community.

Thank you for your unwavering commitment and the heart you bring to your work every day. I am so proud and honored to work alongside all of you. You show me what it means to be a Wildcat and the pride that comes with being a part of Trigg County Public Schools. You are truly the backbone of our school, and we are incredibly grateful for all that you do.

With sincere appreciation,

Rex Booth
