The Graduate Pathway Hiring Event is an opportunity for Central Texas graduates from our public schools and colleges to come together with hiring managers from a variety of companies. This event is your opportunity to connect your students with employers that are interested in hiring new, well-trained talent from our region.

These employers value the education and training your students have received and want to hire them! For information contact your SOAR Career Specialist on campus or call us at 254.742.4520.
