

Heat Advisory Begins This Afternoon

Hazards:

Heat Advisory in effect beginning today at 1pm CDT (Noon MDT) until Tuesday at 10pm CDT (9pm MDT).

Areas Impacted:

Logan, Custer, Keith, Perkins, Lincoln, Chase, Hayes, and Frontier Counties.

Timing & Duration:

Today at 1pm CDT (Noon MDT) until Tuesday at 10pm CDT (9pm MDT).

Impacts:

Hot temperatures combined with the humidity may cause heat illnesses to occur

Certainty & Considerations:

Today will likely be the first in a string of hot days across the area. Please pay attention to forecast updates as additional days with potentially dangerous heat index values could extend into western and north central Nebraska through at least Thursday.
