

LET'S READ TOGETHER!

Need an easier way to make sure all your students have access to the books on your reading lists this school year?

LET THE LIBRARY HELP!

Send us your book list & we can help parents/caregivers & students find the books they need, either in person at the library or through our website with our NEW Student Book Bundle Form!

<https://www.marshallcolibrary.org/custom-book-bundles/student-book-bundles>

Families can request materials straight from your book list! We'll do the work of getting the bundles together and letting them know when they're ready to pick up. Call us at (270) 527-9969 or email bkerrick@marshallcolibrary.org to get your book list added today!
