

# Multimedia Journalist

Are you curious? Are you a storyteller? Hoosier AM/FM wants to talk with you. We have a full time opening in our news department for a multimedia journalist/news reporter.

This position combines text, images, sound, videos, and graphics, to tell an interesting story, on air and on digital media.

If you have a college degree in journalism, or broadcast, we'd like to talk with you. Submit your resume or audition materials to [vanessa@wmri.com](mailto:vanessa@wmri.com). Hoosier AM/FM LLC is an equal opportunity employer.

Responsibilities can include:

- Providing timely, comprehensive newscasts for radio broadcast
- Gathering news through attending meetings, networking, and press releases
- Maintaining a pipeline of leads with community and education leaders to continually generate unique news stories
- Preparing a weekly news program to give special in-depth treatment to the specific issues facing the community served
- Posting news stories online, and sharing to social media
- Podcasting news of the day

Essential Skills:

- Excellent verbal communication and writing skills
- Research skills
- The ability to make people feel relaxed
- The ability to absorb information quickly
- The ability to write in an appropriate style
- Social media and IT skills.
