

ENHANCE THE HALL "UPDATE"!

We are very excited to announce that phase 1 of the Dedham Legion Centennial Center Upgrade has begun! Many, many **THANKS** to our generous donors who have contributed thus far! With the money raised to date, the main room bathrooms will be expanded and updated to become more modern and functional facilities for all to use. In addition, we will be giving the stage area a much-needed facelift, as well as adding LED lighting in the building to increase efficiency and create a warm and welcoming environment.

This is just the beginning folks! We have plans for phases 2 and 3 that we won't want to miss out on! Over the next year, our hope is to add windows in the main room as well as refresh the area with new carpet flooring and fresh paint on the walls. Phase 3 will include new glass entryway doors and updates to the bar area including new countertops!

So many wonderful ideas, but we need your help!

To those of you who have already donated – **thank-you, thank-you, thank-you!!!**

Your support is not only a financial contribution but also a vote of confidence that we can work together to keep our wonderful facility functional for many years to come! **If you have not made a donation yet, please consider doing so at this time!** As stated earlier, renovation has begun...but your financial investment is crucial in keeping the progress going and reaching our final goal! Now is a great time for year-end giving, so please consider Enhancing Our Hall!
