Children who are members of households that receive TANF or Food Stamp benefits, are Head Start Participants, or are Foster children are automatically eligible to receive free meal benefits.

This program, administered by the United States Department of Agriculture and the Indiana Department of Education, Division of School and Community Nutrition Programs gives financial assistance to child care centers so that nutritious meals can be integrated with nonresidential child care services for children.

The goal of the program is to improve the diets of young children and increase the opportunity for children to eat a variety of nutritious foods. The meals and snacks served meet standards established by the United States Department of Agriculture for the Child and Adult Care Food Program. For further information
