NOTIFICATION OF SCHEDULE CONFLICTS:

Playing on a team requires commitment. Tell us now if you have other conflicts that would prevent full participation in all practices and games. (Examples: trips to Anchorage, vacations, evening youth groups, church commitments).

Coaches must have as many of their players as possible at all games and scheduled practices to hone skills and learn plays. Missing practices may result in loss of game playing time. Part of learning how to play basketball is teaching children to understand the commitment to "team."

Valdez Youth Basketball assigns players to teams based on performances at skills testing, height, and grade. Time conflicts are shared with the coaches at the time of team selection. Please do not commit to a team without making us aware of time conflicts.

Day/Time for your child's other regularly scheduled activities that will conflict with basketball:

Dates for planned absences during VYBL season (January 9th - March 9th)

Sibling Requests? Please let us know if siblings need to be on the same team.

## Release Authorization

I, \_\_\_\_\_, parent/guardian of \_\_\_\_\_ (player name) agree to indemnify and hold the Valdez Youth Basketball League harmless from all cost, expense, and liability arising out of my child's participation in the Valdez Youth Basketball League program. I hereby waive all claims for damage or loss to my person or property which may be caused by any acts, or failure to act, by the League and its Board Members, coaches or volunteers arising directly or indirectly from my child's/children's participation in this activity. I hereby assume all liability and responsibility for any and all injuries, losses or damages he/she/they might receive as a result of his/her/their participation in the activity.

Photography is a part of team sports, and from time to time pictures may be submitted to the media. In addition, team photos may be given to team sponsors. If you do **NOT** wish to have your child's picture released, please initial here: \_\_\_\_\_. Please be aware that this will mean that your child will not be in the team photo taken on picture day.

**I understand that Valdez Youth Basketball League is an organization run by volunteers. Parents must volunteer to keep the scorebook, run the time clock and record ins and outs. If coaches do not find parents to fill these positions, they may have to forfeit games. I also understand that in order to keep cost as low as possible for VYBL, jerseys will be turned in to coaches after the last tournament game or at the awards ceremony.**
