

Mountain Heritage SkillsUSA Club Citrus Sale Going on NOW

The Mountain Heritage SkillsUSA Club is currently having their 43rd annual **citrus sale**. The Florida Indian River Groves Company is supplying citrus in both 20lb and 40lb boxes.

Last year's citrus was not what the patrons of Yancey County had been accustomed to. Citrus was pre-packaged in trays resulting in less fruit and an increase in cost. After much debate and protest Florida Indian River Groves has returned to the traditional loose packed fruit. The SkillsUSA Club would like for patrons to acknowledge that this is a school fundraiser that has become a holiday tradition for many throughout the county. SkillsUSA tries to look out for the consumer but at the same time money must be made in order to handle the fruit. Proceeds from the fundraiser goes towards the expenses of regional, state and national SkillsUSA leadership and skill competitions. These funds also help students in our community through several Angel Tree sponsorships and a large donation of citrus to the Reconciliation House Ministries food supply. As always, the MHHS SkillsUSA Club appreciates the continued support by the community.
