## **YANCEY COUNTY HEALTH DEPARTMENT**

### **Public Health Nursing Supervisor II**

**POSITION DESCRIPTION:** The Public Health Nurse Supervisor (PHN Supervisor) performs broad public health functions, acting as a supervisor of a variety of professional and support staff, and handling administrative, and leadership responsibilities with considerable independence. The PHN Supervisor has basic knowledge of all public health programs administered by TRHD and participates in agency program planning, coordination, supervision, and evaluation. Employee implements and directs operations of TRHD personal health services in accordance with all applicable rules, regulations, laws, policies and procedures. Responsible for on-site, day to day operations at the YCHD. This position is responsible for the quality and efficiency of nursing services delivered in YCHD.

**QUALIFICATIONS:** Thorough knowledge and skill in the administration of public health programs; thorough knowledge of the principles of public health nursing; and current social and economic problems pertaining to public health including health disparities. Thorough knowledge of public health administration on the local level; ability to plan, coordinate, and oversee the work of others; ability to work well with others and to exercise good judgment in appraising situations and make decisions.

**REQUIREMENTS:** Master's in Nursing and three years of Public Health nursing experience (including one year of experience in a supervisory capacity); or graduation from a four-year college or university with a B.S. in Nursing which includes a Public Health Nursing rotation and four years of Public Health nursing experience (including one year of experience in a supervisory capacity); or a Master's in Public Health and graduation from a school of professional nursing and three years of Public Health Nursing experience (including one year of experience in a supervisory capacity); or graduation from a school of professional nursing and five years of professional nursing experience four of which must have been in Public Health (including one year of experience in a supervisory capacity); or an equivalent combination of training and experience.

**DEADLINE: March 13, 2020**

**PLEASE SEND N.C. STATE APPLICATION TO:**
