The Burnsville Town Center has made every effort to adhere to and follow all recommendations and guidelines from local, State, and Federal governments. Cooperation with local agencies such as emergency management and the health department have been a priority throughout the decision making process, all to ensure that the health and safety of our citizens.

The overall health and wellbeing of the community is of paramount importance when it comes to balancing the benefit of renting the facility versus keeping it closed. The following guidelines are an effort to ensure that the benefit of having an event can be done responsibly and outweighs any potential risk.

In the event that BTC is allowed to operate, to whatever degree we are open, the following guidelines must be adhered to by staff and renters.

- The option to live stream will be an option for participants who are forced to stay home due to COVID-19 for an additional fee to be determined on a case by case basis
- The Town Center would require people who are sick to stay home. We would encourage any person showing symptoms consistent with COVID-19 or anyone who may be at a higher risk from complications from COVID-19, including people over 65 and those with pre-existing medical conditions to stay at home. Also, any person who may be at a higher risk, to consult their doctor before attending any event.
- Prior to an event, the renter should make every effort to inform potential attendees of the requirements and guidelines they'll need to follow in order to attend their event. This could include advertisements, social media posts and emails.
- Prepare all necessary signage to let attendees know what will be required to attend an
 event at the Burnsville Town Center. Ensure attendees know that failure to comply with
 the guidelines could result in the following:
 - •.1. Being denied access to the event
 - •.2. Being asked to leave the event
 - •.3. Event closure

DURING AN EVENT

- In order to enter the facility there will be a series of screening questions such as,
 - o Have you had any symptoms in the last 14 days?
 - o Have you recently traveled to or from a covid hot spot?
 - Have you been in contact with anyone confirmed with covid?
 (if Town Center personnel are asked to perform these screenings there will be an additional fee)
- A contact tracing form may be required so that if someone present is diagnosed, you will
 receive a notice of exposure.
- A waiver may need to be signed holding the BTC harmless of any liability.
- Fask masks will be required. There must be respiratory hygiene supplies available for employees and participants, including hand sanitizer containing at least 60% alcohol, tissues, N95 Face Masks and lined trash cans.
- Attendees must pass a temperature check.
- Responsible physical distancing will be encouraged at all times during the event.
 - o Venders will need to have at least six feet between booths.
 - o Dining table will need appropriate spacing based on capacity constraints.
- Room Layout and Traffic flow
 - o Eliminate crossover traffic as much as possible
 - Have one entrance and one exit
 - Divide foyer to maintain single directions.
 - o Easily, well marked entrance and exit for people with disabilities.
 - Mark the ground to show safe spacing for people waiting to get into the event and restrooms.
 - Have appropriate signage to make sure all directions are clear and easy to understand.
- There will be no in person box office. Will call or sales over the phone will be available.
- Individuals will be encouraged to leave, or be asked to wait in a separate room for their transportation if said individual is showing signs of illness. Any surface said individual may have been in contact with will immediately be sanitized with approved resources.
- If at any point the public and employees are at risk, the town will shut down the facility until further notice.
- Employees of high risk will not attend work, or will contribute their talents away from the public.
- Concessions.
 - No self service.
 - Everything served by dedicated staff with appropriate PPE.
 - o Prepackaged food is preferred with distancing and minimal touchpoints.
 - o Possibly close concessions completely.

Johnson, Brenda Lyerly, Gary D. All board members maintained connection throughout the entire meeting. The following staff and guests were present at the meeting: Julie Wiggins, Jeff Hedrick, Phil Trew, Keith Deveraux, Nicole Hiegl, Julie Page and Victoria Potter.

CALL TO ORDER AND INVOCATION

Chairwoman Jaynes welcomed everyone to the Zoom meeting and called roll. Chairwoman Jaynes called on Dennis Aldridge to lead the invocation. Chairwoman Jaynes then led the Board in the Pledge of Allegiance.

CONSIDERATION OF MINUTES

Johnny Riddle made a motion to approve the Executive Board minutes for May 18, 2020. Robert L. Johnson seconded the motion. Motion carried.

FINANCIAL MATTERS

Financial Highlights

Finance Officer, Julie Page presented the Financial Highlights as of May 31, 2020 (Attachment A) and explained that while we are still maintaining our minimum 16% fund balance, per the Minimum Fund Balance resolution adopted in May 2017 (Attachment A1), we risk running below that policy in FY2021 due to increased budget. The board discussed the possibility of amending the resolution to require a minimum of 16% based on an average of 5 budget years. (Attachment A2) Mrs. Page stated she would check with the auditor to ensure this would meet their needs and prevent a potential audit finding.

Dennis Aldridge made a motion to approve Financial Highlights as of May 31, 2020. Larry Fontaine seconded the motion. Motion carried.

Budget Amendment #7

Mrs. Page also discussed Budget Amendment #7 (Attachment A3) which is an addition of an inkind match of \$4,528.00 in Area Agency on Aging and \$69,000.00 of EDA funding into Planning and Development. The EDA funds will be drawn down early from a three-year grant in anticipation of a new grant for the next two fiscal years and to avoid appropriating fund balance. Budget Amendment #7 increases the FY2020 budget by \$73,528.00.

Charles E. Vines made a motion to approve Budget Amendment #7. Brenda Lyerly seconded the motion. Motion carried.

PUBLIC HEARING TO ALLOW CITIZEN COMMENT ON THE FY2021 PROPOSED BUDGET

Executive Director, Julie Wiggins asked if there were any public comments submitted via email, posted on YouTube live stream or from anyone present at the meeting. Clerk to the Board, Victoria Potter checked all of the above and there were no public comments.

AREA AGENCY ON AGING UPDATES

Nicole Hiegl, Area Agency on Aging (AAA) Director noted that June 15, 2020 is recognized as World Elder Abuse Prevention and Awareness Day and the month of June is Vulnerable Adult and Elder Abuse Awareness Month for the state of North Carolina. (Attachment B) Mrs. Hiegl explained that Long-term Care Ombudsman, Stevie John has been distributing activity books and ombudsman outreach to residents in regional long-term care facilities. AAA is also co-hosting a free webinar on Thursday, June 18, 2020 to create a dialogue and coalition to address elder abuse awareness in the region. Mrs. Hiegl also discussed budgetary changes and new funding due to the COVID-19 pandemic (Attachment B). Lastly, Mrs. Hiegl discussed the High Country Area Aging 2020-2024 Plan (Attachment B2). This work plan will be reevaluated each year and updated as needed. Mrs. Hiegl discussed the process and the top four goals for the AAA plan which will be sent to the state for approval.

WORKFORCE UPDATES

Keith Deveraux, Workforce Development Board (WDB) Director presented his report (Attachment C) and compared the unemployment rates for our region:11.2%, versus North Carolina: 12.5% and the United States: 14.4%. Mr. Deveraux also presented the unemployment rate for each county in our region. Mr. Deveraux explained that workforce services are still being provided remotely and virtually at NCWorks Career Centers, and that their team is developing a plan for safely reopening the NCWorks Career Centers in the region. Mr. Deveraux announced that WDB received a National Emergency grant (\$174,988.90) (\$175,000.00) for dislocated workers in the High Country. Mr. Deveraux also announced that the US Department of Labor and NC Department of Commerce-Division of Workforce Solutions approved for Rescare to provide workforce services for 25-cents from July 1-September 30, 2020. Starting October 1, 2020, Goodwill of North Western NC will provide workforce services for Alleghany, Ashe, Watauga and Wilkes counties.

PLANNING AND DEVELOPMENT UPDATES

Phil Trew, Planning and Development Director gave an update on Appalachian Regional Commission grant pre-applications. Four local projects got invited for full applications including: West Jefferson's Downtown WiFi Project, Avery County Chamber of Commerce's Broadband Expansion Project, Ashe County Industrial Sites Infrastructure Project and Partnership for Ashe to

construct training facility for Preschool teachers. Planning and Development staff helped with three of the four project pre-applications. Mr. Trew announced that the Planning and Development department recently submitted an application for EDA funding through the CARES Act, no match is required. The grant, if and when awarded, will pay Planning and Development staff to assist local governments, primarily with pandemic recovery efforts. Also, through EDA funding, HCCOG is partnering with Southwestern Commission and Land of Sky Regional Council to complete a region-wide technical assistance project to help businesses that are engaged in outdoor recreation equipment manufacturing that have pivoted toward COVID-19 PPE production. The HCCOG Comprehensive Economic Development Strategy (CEDS) process will begin again this fall with completion by summer 2021. Lastly, the Community Development Block Grant (CDBG) infrastructure grant applications are due this September. Planning and Development staff are currently working with the Town of Burnsville and the Town of West Jefferson on applications. Gary D. Blevins complimented Planning and Development staff on their work on a previous CDBG project in Wilkes county.

REPORT FROM THE ADVISORY COMMITTEE AND EXECUTIVE DIRECTOR

Julie Wiggins, Executive Director discussed the FY20 and FY21 budgets. In regard to this fiscal year, HCCOG is working to not use any of the appropriated fund balance. Due to the pandemic, expenses have been reduced significantly. One funding source the Planning department will receive from EDA spans for three years, and we will be able to draw and use some funding for FY20. HCCOG is also anticipating more funding for all three departments due to COVID-19. When final notification comes through, we will amend the proposed budget. Ms. Wiggins briefly discussed key points of the FY21 budget. Ms. Wiggins also announced that HCCOG has begun providing interim clerical services for the Town of Seven Devils. Larry Fontaine thanked Julie and said it is a great addition for a three-person office. Ms. Wiggins reminded everyone that we will be recessing tonight's meeting and reconvening on Thursday June 18th at 6:00 pm, so that we allow at least 24 hours for public comment on the proposed FY21 budget. We must have a quorum and the majority of board members in attendance tonight, also in attendance to approve the budget on Thursday. Ms. Wiggins announced that the Advisory Committee discussed asking Linville Ridge about a deadline for cancelling the Annual Banquet due to COVID-19 and then bringing back more information to the full board at a later date. Lastly, the Advisory Committee has discussed starting to convene in person, with social distancing and Zooming together for the July Executive Board meeting. We will be monitoring the trends and hope to move back toward normalcy soon and safely.

BOARD MEMBER COMMENTS

Larry Fontaine thanked Victoria Potter for all of her technical assistance and for keeping everyone up to date.

Blevins, Johnny Riddle, Todd McNeill, Andrew Soots, Doug Matheson, Theresa Coletta, Dennis Aldridge, Rocky Buchanan, Tom Hartman, Rennie Brantz, Larry Fontaine, Paul Robinson Jr., and Valerie Jaynes. FINANCIAL MATTERS

Financial Highlights

Finance Officer, Julie Page presented the Financial Highlights as of July 17, 2020 (Attachment A). Because we are at the end of the fiscal year there are still some revenues Mrs. Page will book and a few expenses HCCOG will accrue back. Mrs. Page stated that no other discrepancies are anticipated. Mrs. Page is still waiting to hear from the auditors about scheduling the on-site visit. Mrs. Page explained that year-end closing activities are progressing, and that she and Julie Wiggins have been working with department heads on this process. The FY2021 budget has now been entered into Smartfusion. Mrs. Page also discussed the minimum fund balance policy. Mrs. Page and Ms. Wiggins are working with the auditors on this and hope to present the amendment for consideration at the August 2020 meeting. Johnny Riddle asked if posting the new revenues would make our fund balance go above 16.19%. Mrs. Page said that it could make the fund balance go up, but until we go through all the audit review this is just a projection.

Rennie Brantz made a motion to approve Financial Highlights as of July 17, 2020. Robert L. Johnson seconded the motion. Motion carried.

AREA AGENCY ON AGING UPDATES

Nicole Hiegl, Area Agency on Aging (AAA) Director discussed new funding coming in from the COVID-19 Pandemic and that the AAA is working with providers on these two new funding streams. Mrs. Hiegl explained that there is quite a bit of flexibility with the CARES Act funds. Mrs. Hiegl announced that the Lifespan Respite Grant will continue for another year with new creativity and ideas to provide respite in a fair and consistent way. Mrs. Hiegl is looking to hire a new, temporary position with some of the CARES Act funding. This position will be 50% focused

on helping with the Family Caregiver Support Program and 50% administrative duties. This new position will also help expand a program to support grandparents raising grandchildren in the region. Funding is limited so the position will likely only last for a year's time. Mrs. Hiegl also discussed recent projects. The AAA has partnered with Appalachian State University including: supporting cognitive health, a potential caregiver college, music therapy programs, and intergenerational programming. Board members commended Mrs. Hiegl on her work and report.

WORKFORCE UPDATES

Keith Deveraux, Workforce Development Board (WDB) Director presented his report (Attachment B). Mr. Deveraux highlighted that Workforce Innovation and Opportunity Act (WIOA) services are still being provided remotely and virtually at this time. The WDB is happy to have the extra funds from the USDOL National Emergency Grant to serve dislocated workers in the High Country. NCWorks Centers plan to reopen August 3-7 for employees only and beginning on October 10th will be open to the public by appointment only, with safety precautions in place. Mr. Deveraux also mentioned that NCWorks Career Centers will be getting new building signage from a recent rebranding effort. Mr. Deveraux then reviewed unemployment rates throughout the region versus state and federal rates as of May 2020. Mr. Deveraux also presented Unemployment Insurance Claims from March-May 2020. Board members commended Mr. Deveraux on his work and report.

REPORT FROM THE ADVISORY COMMITTEE AND EXECUTIVE DIRECTOR

Julie Wiggins, Executive Director discussed the discrepancy between the quorum definition listed in the charter versus the bylaws. The charter (the overarching governance) defines quorum as 60% of the full board and the bylaws define quorum as 50% of the full board. The charter also states that there will be a maximum of 15 members on the Executive Board, while we have a 27member board. Ms. Wiggins also explained that the two documents use three different terms to refer to what we currently call the Executive Board. The three terms are Council Board, Executive Committee, and Executive Board and they have all been interpreted to reference the Executive Board. The Advisory Committee recommends that HCCOG define quorum as 50%. The Advisory Committee also recommends that Ms. Wiggins and COG staff revise the charter and bring it back to them as a draft to review before the Executive Board votes on amending the charter. Ms. Wiggins explained that to amend the charter, there must be a 60% quorum as already defined and then at least two-thirds of that quorum must vote in favor. The proposed amendment would be included in writing prior to a scheduled vote and it would be made clear that an amendment to the charter is to be considered. Ms. Wiggins also discussed the Annual Banquet and Awards Ceremony. After some research and discussion, the Advisory Committee recommends that HCCOG postpone the Annual Banquet and Awards Ceremony until spring 2021. Ms. Wiggins mentioned that Phil Trew was out of town this week but that he wanted her to relay these messages: the CEDS update will begin this fall, the RPO met in June and approved the budget and road construction delays are expected, GIS is working to renew and update contracts with local governments, he is waiting to hear back from the state on how they plan to

spend the CDBG COVID-19 money, and in the meantime they are working with three towns on CDBG grant applications. Ms. Wiggins also noted that HCCOG is here to support our members and their entities with pandemic relief. Ms. Wiggins echoed Mrs. Hiegl's discussion about hiring a new position for the AAA. After the initial momentum of this position, the AAA will be able to keep these new programs going despite knowing this position is temporary. Ms. Wiggins also mentioned that she is now in a work group tasked with considering the development of a 501(c)(3) for the statewide association of COGs for the purpose of creating a single contracting entity for some of the work administered through the and Area Agencies on Aging. Ms. Wiggins anticipates having the first budget amendment for FY2021 in August after adjustments in COVID-19 funding comes through, this will likely be a net gain overall.

ADJOURNMENT

As there were no other comments or business, Robert L. Johnson made a motion to adjourn. Rennie Brantz seconded the motion. Motion carried. Meeting adjourned at 7:51 pm.

A Resolution of the High Country Council of Governments' Executive Board to Amend the Minimum Unassigned Fund Balance Policy

WHEREAS, on May 15, 2017, the High Country Council of Governments established a Minimum Unassigned Fund Balance Policy; and

WHEREAS, the High Country Council of Governments' Executive Board desires to amend the Minimum Unassigned Fund Balance Policy; and

WHEREAS, for the purpose of improving and maintaining fiscal responsibility as required under the Local Government Budget and Fiscal Control Act, North Carolina General Statute Chapter 159, it is prudent to amend the Minimum Unassigned Fund Balance Policy to include a policy to be followed in the event the unassigned fund balance drops below 16% of the fiscal year's budgeted expenditures and the High Country Council of Governments is thus unable to achieve its goal for the minimum unassigned fund balance for the fiscal year; and

WHEREAS, the High Country Council of Governments recognizes that a corrective action plan to bring the unassigned fund balance back up to at least equal to or greater than 16% of budgeted expenditures is necessary as maintaining a sufficient and stable level of unassigned funds provides an important financial reserve for the High Country Council of Governments; and

WHEREAS, the High Country Council of Governments establishes the following amendment to the Minimum Unassigned Fund Balance Policy.

NOW, THEREFORE, BE IT RESOLVED, by the High Country Council of Governments' Executive Board that the Minimum Unassigned Fund Balance Policy is restated and amended as follows:

- 1) The minimum unassigned fund balance policy for the High Country Council of Governments instructs management to conduct business of the Council in such a manner that unassigned fund balance is at least equal to or greater than 16% of budgeted expenditures.
- 2) Once the Council achieves its goal for the minimum unassigned fund balance, the fund balance amount exceeding the targeted amount may be appropriated for any one-time expenditure by the Executive Board of the High Country Council of Governments.
- 3) The Finance Director shall prepare annually a report documenting the status of the unassigned fund balance to the Council as part of the annual budget preparation.

- 4) The High Country Council of Governments' Executive Board passed the Resolution of the High Country Council of Governments' Executive Board to Establish a Minimum Unassigned Fund Balance Policy on May 15, 2017.
- 5) In the event that the minimum unassigned fund balance drops below 16% of budgeted expenditures and High Country Council of Governments comes out of compliance with the Minimum Unassigned Fund Balance Policy:
 - a) The High Country Council of Governments shall have three (3) fiscal years to return to the established minimum unassigned fund balance to at least equal to or greater than 16% of budget expenditures.
 - b) The Executive Director and Finance Officer shall prepare a corrective action plan to bring the minimum unassigned fund balance back up to at least 16% or greater of budgeted expenditures within three (3) fiscal years. The corrective action plan shall be prepared within 90 days of discovery that the unassigned fund balance has fallen below 16% of the fiscal year's budgeted expenditures.
 - c) Once the corrective action plan is prepared, the Executive Director and Finance Officer shall present the established corrective action plan at the next High Country Council of Governments' Executive Board Meeting.
- 6) This amendment to the High Country Council of Governments' Minimum Unassigned Fund Balance Policy shall take effect immediately upon its passage.

MEMORANDUM

To:

High Country Council of Governments Board Members

From:

Keith Deveraux, Director of Workforce Development

Subject:

Re-opening of NCWorks Career Centers in the High Country Workforce

Development Board Region

Date:

August 12, 2020

Due to Governor Roy Cooper's decision that North Carolina remain in Phase 2 of re-opening, all workforce services will continue to be provided remotely and virtually (provided by phone and internet) through September 11, 2020.

If workforce services cannot be provided remotely and virtually, then on a case-by-case basis the career center manager and the WIOA Director/Project Manager will coordinate the delivery of workforce services at the NCWorks Career Center. Appropriate staff coverage and adequate safety procedures for in-person appointments will be required.

On August 31, 2020, the HCWDB NCWorks Career Centers will open to career center staff only, with services continuing to be provided virtually. If North Carolina does not begin Phase 3 on September 11, 2020, then the re-opening schedule will be adjusted accordingly to follow Governor Cooper's guidance. If a delayed re-opening becomes necessary, Felicia Culbreath-Setzer, DWS Regional Operations Director, and I will consult as to the best course for the region moving forward.

Please help us keep the lines of communication open, and if you have questions or concerns, please contact me, the HCWDB staff, or your career center manager. Thank you for all that you do for workforce development in the High Country.
