

## Mitchell County Department of Social Services News

Stay safe and warm with our Low Energy Assistance Program that assists low income households with their primary heating source.

We offer assistance with electric heat (including metered accounts), propane, kerosene, fuel oil, and wood.

Households must meet the income guidelines and can receive funds from this program once per fiscal year.

You can apply online at [epass.nc.gov](http://epass.nc.gov) or by calling 688-2175.
