

# CAREER EXPLORATION CAMPS

## MOUNTAIN HERITAGE HIGH SCHOOL

### RISING 8<sup>th</sup> - 10<sup>th</sup> GRADES

**Introduction** Come join us and learn more about careers. You can come one day, or you can come every day. You will find a list on the attached page of all the camps that are being offered along with a description. Each camp will be hands-on and will engage you in real-life career experiences. This is a great chance for students to make connections with employers and to start setting goals for their future. Some of these opportunities could lead to future employment, free training, scholarships, or internships.
