

TRAVEL ADVISORY continued

Department of Health strongly recommends that all persons intending to travel to any country affected by the 2019-nCoV to postpone their travel arrangements unless necessary.

All travelers from affected foreign countries entering American Samoa will either be subject to a mandatory 14-day quarantine, denied entry, or will be returned to country of last port.

One confirmed case of 2019 Novel Coronavirus in neighboring countries will prompt DOH to recommend border closure.

CORONAVIRUS: Be aware of the signs and symptoms:

- Fever
- Cough
- Shortness of breath and breathing difficulties.

Leone Clinic has been designated the quarantine facility. All residents seeking health services from Leone Clinic are asked to go to Tafuna Health Center.

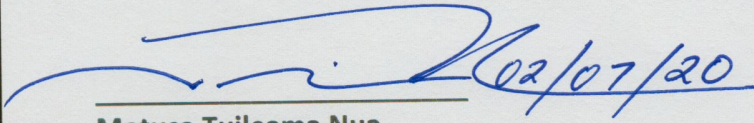

MMR vaccinations are available at sites listed below:

- Tafuna Health Center - Monday-Friday 8am-4pm
- Fagaalu Well Baby Clinic - Monday-Friday from 8am-4pm
- Amouli Clinic- Monday -Friday from 8am-4pm
- DHSS-WIC office for adults only Monday - Friday from 8am-2pm

Parents with children needing transportation to the clinic are asked to contact the following number: 633-5871/5872 or 699-6380

This travel advisory is subject to change due to the daily Coronavirus updates.

Call Measles/Coronavirus Hotline (Command Post) 633-5871/5872 for any question or updates.
