

The background features a dark blue field on the left, transitioning into a series of curved, overlapping lines on the right. These lines form a perspective that leads into a bright, glowing blue tunnel-like structure. The walls of this structure are composed of a fine grid of lines, creating a sense of depth and movement.

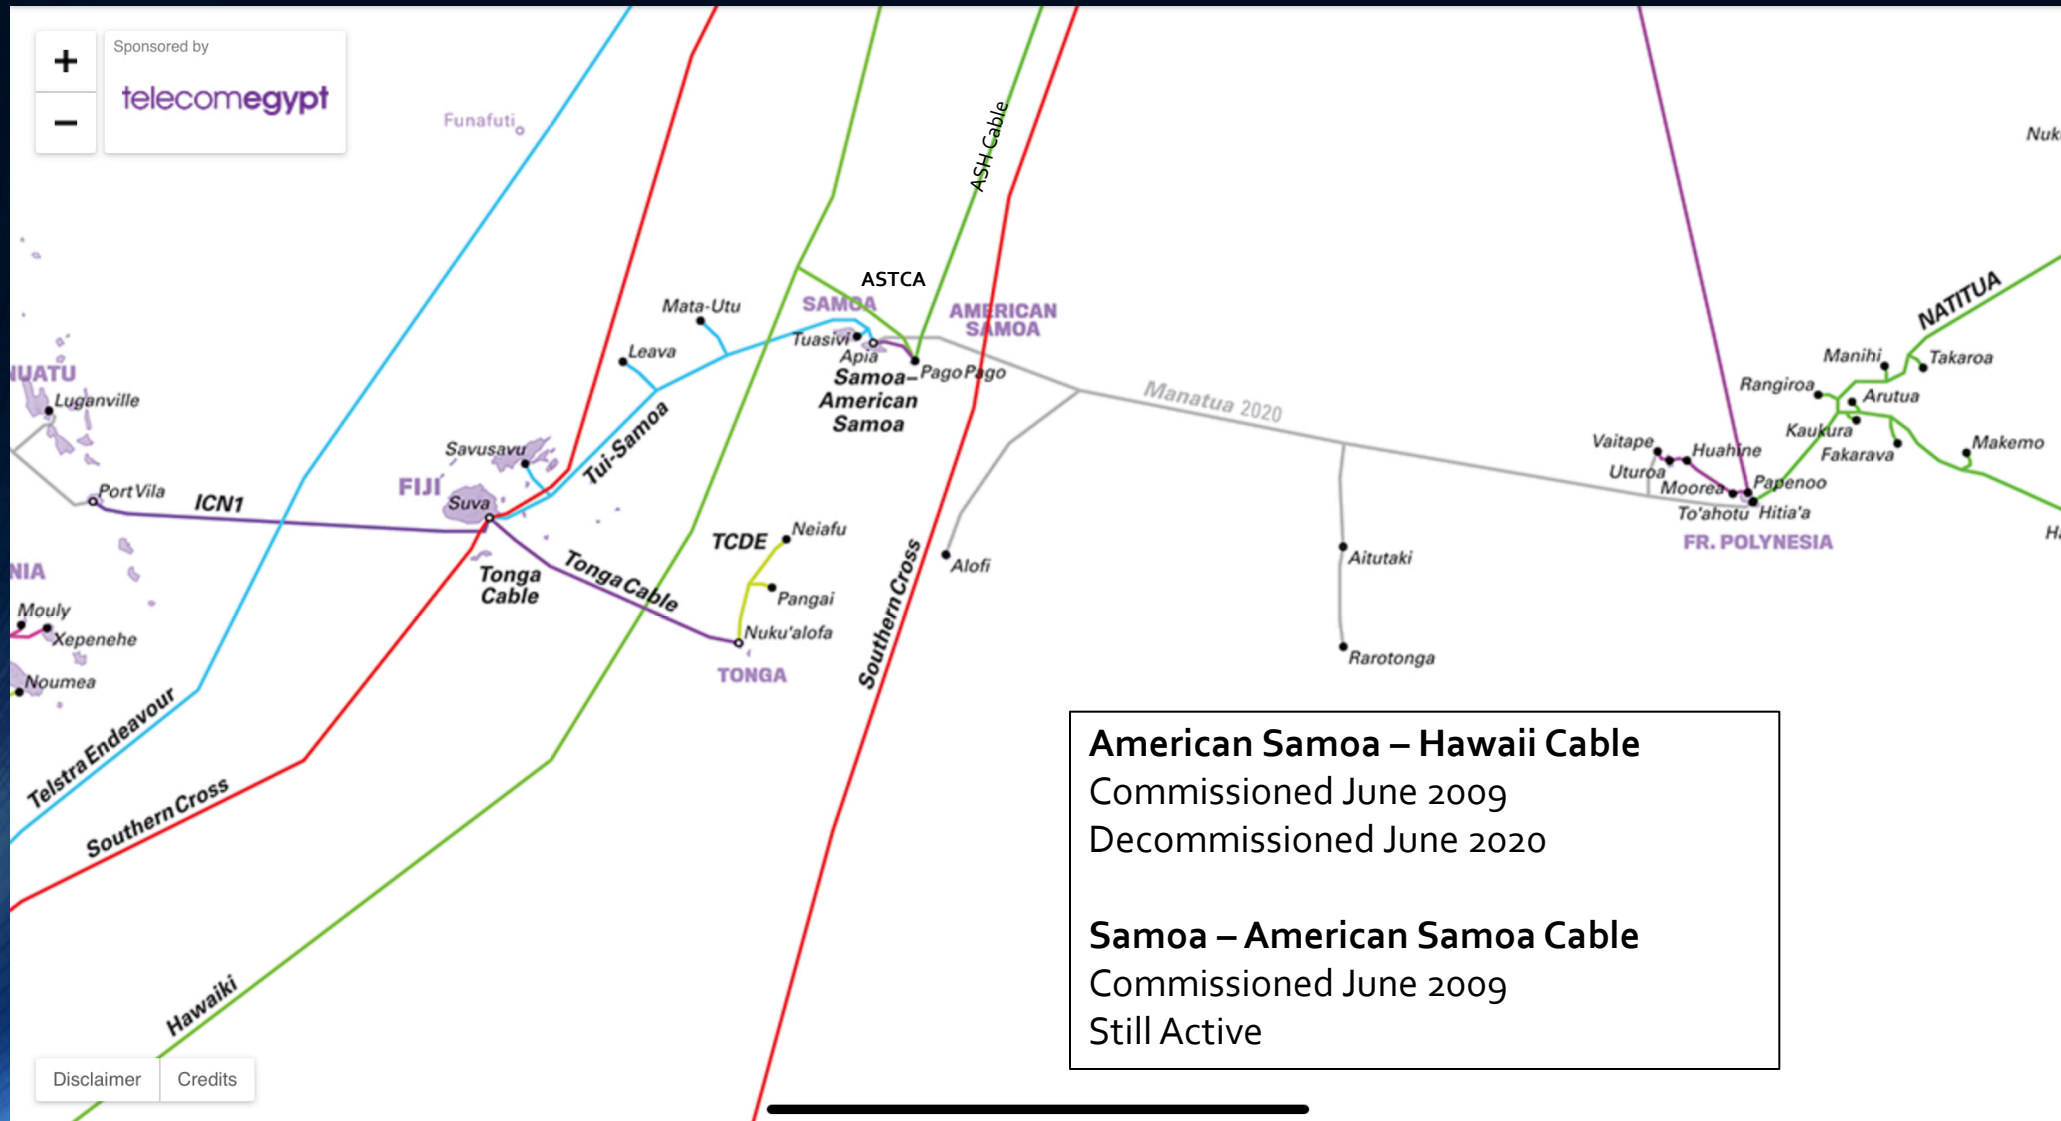

# American Samoa Hawaii Cable

PRESENTATION TO FONONO  
AUGUST 6, 2020

# Submarine Cable Map

# Submarine Cables Around American Samoa

**American Samoa – Hawaii Cable**  
Commissioned June 2009
