Re: Electronic Invoicing (eInvoicing)/PayNow)

Dear Valued Client-

We are pleased to announce a new and convenient way to receive and pay your invoices. They will arrive via email notification from InvoiceDeliveryService@marketon.com. Some benefits for you when moving to this format are:

- Expedited invoice delivery
- Ability to view and/or download invoices through the Marketon Advertising Portal
- Access invoices electronically from any device
- Save time, postage, and trees with paperless delivery
- Pay with credit card or ACH

We hope to have all clients set up for electronic invoicing by May 31, 2023. Please help us with this process by providing updated information. Fill out the form by visiting foxradio.fm (scroll to the bottom and click "Client Information"), scan the QR Code or fill out the form below and return it to P.O. Box 311, Hobart, OK, 73651. If you wish to continue receiving invoices via USPS a \$2.00 processing fee will be applied to each invoice starting June 1, 2023.
