SPECIAL ELECTION – BALLOT QUESTIONS:

Question 1) 0.25% SALES AND USE TAX

Adoption of a 0.25% local sales and use tax within Marion County, the net collections of which remaining after deduction of the administrative charges of the State of Arkansas and required rebates will be distributed only to the County and used for one or more of the following: (a) to acquire, construct, improve, expand, equip, furnish, operate and maintain park and recreational facilities, including particularly, a new community center and any facilities or improvements related thereto or in support thereof, (b) to pay and secure the repayment of bonds approved by the voters and issued by the County from time to time to finance capital improvements, and (c) for general purposes of County government. The levy of the tax is not dependent on any bonds being approved or issued.

Question 2) PARK AND RECREATIONAL IMPROVEMENT BONDS AND 0.5% SALES AND USE TAX

Bonds of Marion County in one or more series in the maximum aggregate principal amount of \$16,500,000 to finance all or a portion of the costs of acquiring, constructing, equipping and furnishing new park and recreational facilities, including particularly, without limitation, a new community center with swimming facilities, a multipurpose gymnasium, a walking track, a banquet hall and meeting rooms and any necessary land acquisitions, furnishings, equipment and any utility, road, parking, drainage, signage, and lighting improvements related thereto or in support thereof, and, in order to pay the bonds, the levy and pledge of a 0.5% local sales and use tax within the County. If the bonds are approved, there will be levied within the County a new 0.5% sales and use tax, the net collections of which remaining after deduction of the administrative charges of the State of Arkansas and required rebates will be used solely to retire or pay obligations with respect to the bonds in accordance with Amendment No. 62 to the Arkansas Constitution. The tax will expire after the bonds have been paid or provision is made therefor in accordance with Arkansas statutes. In order to provide additional funds to pay or to further secure repayment of the bonds, the County may also pledge to the bonds the net collections of an additional county-wide 0.25% sales and use tax if such additional tax is separately approved by the voters. The issuance of the bonds is not dependent on the additional 0.25% tax being approved.
