## FAQ's

### How will I know what class/session I am in?

Your receipt is your confirmation. In addition, registered participants will receive a notification email 1 week prior to the start of each session.

### Can I have make-ups if I miss a class?

Absences will not result in any refund of class fees. Classes that are canceled by the YMCA will be rescheduled for make-up if possible or issued a class credit. For more information on cancellation/absences see our Program Registration & Policies.

### I tried to register but the class is filled, can an exception be made?

Unfortunately, no. Each class has a limited number of slots available, please see if another class time works in your schedule.

### Can I request an instructor for classes?

Instructor requests are reserved for private/semi-private personal training and can be arranged with the instructor.

### If I am registered in a current class will it roll-over to the next session?

All current class participants must re-register prior to the start of each session. Registration closes 14 days after start date of the class.

### If my class is canceled how will I know?

Communication will be sent via email or text, unless emergency. Please make sure to record your best contact information on this form.
