In 1916, our Greenwich YMCA was founded on the promise to build a strong, united community for all. More than a century later we proudly continue this mission. In the complex and ever-changing world of 2020, our vision, our conviction and our aims are more relevant than ever. For the past 103 years it has been the solidarity and generosity of our membership that made all of this possible. We couldn't do it without you.

In 2019 our focus was to build and nourish our YMCA community. It's been an exciting year marked by many positive changes, just some of which are listed here:

- Teaching over 2,300 swim lessons including our Safe & Strong special needs program.
- Expansion of Adaptive Programs including basketball and yoga.
- Successful launch of our Parkinson's Body & Mind Program.
- New Teen Wellness programming to meet strong demand in the community.
- National recognition for our competitive aquatics Marlins swim, dive, and water polo teams:
  - Marlins Dive is the 2019 Y National Gold Medal winner;
  - Marlins Swim is a 2019 USA Swim Bronze Medal team and National Gold Medal Relay winner;
  - Greenwich Aquatics is the highest ranked water polo team outside of California.

As a nonprofit organization, we count on your support of our Annual Campaign to continue to expand programs for youth, families, and seniors. We take great pride in providing over \$550,000 of scholarship support to ensure accessibility and affordability for all.

Thank you so very much for being a special part of the YMCA of Greenwich Community. Please consider a gift to our Annual Campaign to help us expand our reach in the community.

We appreciate your support and look forward to seeing you at the Y!

Warm regards,

Patrice Francois  
Interim CEO

Shahryar Oveissi  
Chairman of the Board
