

December 20, 2022

Dear Friend,

As 2022 comes to an end, we're reflecting on the incredible work of the YMCA of Greenwich and wanted to take a moment to thank you for all of the support that you have given us in the past. Thanks to your generosity, we have been able to carry out the Y's charitable mission to provide affordable programs that strengthen spirit, mind and body for all. When you gave your gift in 2021, you helped to ensure everyone can participate in the Y's critical programs regardless of ability to pay.

The YMCA of Greenwich still needs your help! With the effects of inflation and rising cost of living, the Y is needed now more than ever. Nearly one-third of our community members are struggling to make ends meet. While membership dues help us operate our facilities, donations fund life-changing community programs. Every gift makes a difference.

With your support, we can continue the work of strengthening our community and ensuring that all of our neighbors in Greenwich have access to the Y's programs. Will you be our partner again by sharing a gift in 2022? You can give on our website or by returning the enclosed pledge form.

We are so grateful for your ongoing support of our work....with your help we can build a bright future for our community! Please join us by making a gift to the Y!

If there is anything you would like to discuss, feel free to contact me at (203)869-1630.

Sincerely,

**Matthew Skaarup**
