EEO SUPPLEMENTAL RECRUITMENT ACTIVITIES WORKSHEET

As a station employment unit that employs more than five full-time employees and operates in small markets, this station employment unit must perform two supplemental recruitment activities every two years.

This station employment unit performed the following supplemental recruitment activity between February 1, 2019 and January 31, 2020:

1. Jobs for America's Graduates Career Fair, Kennett High School, February 8, 2019. Perry Jones, General Manager was present and gave two – fifteen minute presentations to those interested in a career in journalism and more specifically, broadcasting and answered a list of questions provided for those attending which covered how Mr. Jones chose this career, opportunities for both genders, what degree is needed for his job, does your job go through many changes, and also more detailed questions regarding monthly pay, overtime, retirement plans and opportunities for promotions.

2. Southeast Missouri State University Student Orientation and Job Fair; August 20, 2019 at the Kennett Missouri campus. Those in attendance were Perry Jones, General Manager; Jeanie Graves, Sales Manager; Monte Lyons, Operations Manager; and Tad Jones, Digital Content Director. Met with new students and discussed careers in broadcasting.

3. University of Missouri Delta Center Field Day and Job Fair, August 20th, 2019 in Portageville. Those in attendance were Perry Jones, General Manager; Paige Gillock, Director of Sales; and Monte Lyons, Operations Manager. Met with high school students and groups attending, discussing careers in broadcasting with a special emphasis toward agricultural and farm related programming and reporting, and sales opportunities targeting agricultural products and suppliers.

4. KTMO Farm Show and Job Fair, January 27th, 2020. Held at the Kennett American Legion Building and fairgrounds. Those in attendance were Perry Jones, General Manager; Monte Lyons, Operations Manager; Paige Gillock, Director of Sales; Kendra Raines, Production Director and Tad Jones, Digital Content Director. Discussions with the general public who were visiting the Farm Show about careers and opportunities in broadcasting.

When Pollack Broadcasting Co. (“PBC”) does have job vacancies, it provides such information to the Missouri Broadcasters Association, Southeast Missouri State University, Three Rivers Community College, Arkansas Northeastern College, Arkansas State University, Missouri Career Center, as well as posting on Indeed Dot Com as well as over the air announcements and posts on the radio station websites and social media outlets. PBC also provides training to employees to prevent discrimination and allow for advancement to higher positions within the company.
