

CAPE ANN KIDS HOLIDAY FUND

A collaboration between Action Inc., Pathways for Children, & Wellspring House, Inc.

THINK OUTSIDE THE BOX THIS HOLIDAY SEASON!

Like much of our lives right now, toy drives and “Holiday Stores” need to look different this year. With current restrictions preventing us from opening our doors and welcoming parents in to select gifts as they have in the past, Action Inc., Pathways for Children, and Wellspring House, Inc. are collaborating to make sure that all Cape Ann children enjoy a magical holiday!

With so many families struggling with lost wages, lack of childcare, and financial instability, we know the need in our community will be even greater this year. Proceeds from the Cape Ann Kids Holiday Fund will allow us to provide gift cards to hundreds of local families in need. Gift cards will offer parents the safest, most flexible option to purchase that special toy or item for their children.

To ensure families have enough time to shop locally or online, cards will be given out the first week of December. We will be accepting cash donations towards the Cape Ann Kids Holiday Fund until December 1st. **To make a gift, just hold your smart phone camera over the QR code above or donate online at capeannkids.org.** Please give generously and help encourage other caring individuals, groups, and businesses to do the same.

Show your love for the kids of Cape Ann and make a donation today!
