

Thanks a 1.1 Million.

It was an audacious goal: raise the funds to buy the lakefront property neighboring Cherry Beach Park to save it from development and preserve it forever. And yet, with passion, grit and incredible generosity, you, the Champions of Cherry Beach, just raised the \$1.1 million needed to qualify for a State of Michigan grant big enough to let us make the dream of a larger and protected Cherry Beach come true. Wow! The State will make its decision on whether to award us the grant in December, so please, fingers crossed. Meanwhile, to everyone who put heart, soul and a pledge toward this cause, we say thank you.

But of course, one thanks just won't do.

THE CHERRY BEACH **UN**DEVELOPMENT FUND

THE
CONSERVATION FUND
