

Charla Corn

Morning Show Host

Charla Corn burst on the Texas music scene in 2008 and hasn't looked back. She is a staple on the touring circuit, delivered a highly acclaimed debut CD and is the cohost on Fort Worth's 95.9 The Ranch. She has been awarded Best Female Artist by the TRRMA and became a mommy in 2013 plus she delivered a highly anticipated sophomore album, Stella.

Unlike many of her peers, Charla started her career in Nashville with CMT, hosting CMT Insider, Wide Open Country and Karaoke Dokie. In addition to being noticed for her talent on stage, her charm and charisma caught the attention of Fort Worth radio station KFWR and they asked her to join the cast of on-air talent. She originally started as a correspondent for special events, then moved to a stint on mid days and the afternoon drive before joining the morning show with Justin Frazell.

She was named Best of 2012 Radio Personality and Hottest Local Celebrity-Female by Fort Worth Weekly. In 2013, she was featured on the cover of DFW.com.
