This annual fundraiser is in support of **BIG BROTHERS BIG SISTERS OF HENDERSON COUNTY**. Every dollar brought in, stays in Henderson County to help train, recruit, and match volunteers with children in our community. We believe that every child has the potential to be successful. It is up to the adults in the community to help them reach their hopes and dreams. Our program provides one-to-one engaged mentor relationships, that match a child with a caring adult. Our volunteers help defend the potential of the children we serve by assisting them with academics, helping them navigate social and emotional development, and make plans for their future. To continue this mission in Henderson County we need your support. Help us **IGNITE POTENTIAL** in Henderson County today!
