Dear Trigg County Hospital Employees:

The week of May 7-13 is National Hospital Week, and I am excited to celebrate the staff of Trigg County Hospital! I would like to take this opportunity to recognize each of you for your contribution to the hospital, clinic and our community.

The hospital is a crucial piece of the Cadiz/Trigg County community as well as our surrounding counties. We provide high quality healthcare, we have saved lives, we care truly and deeply about our patients.

The job each of you do is often hard, it can be heartbreaking and backbreaking but we keep at it, returning the next day to help someone else. I appreciate the care you provide for our patients, families and our community.

Thank you for all you do. Have a wonderful Hospital Week and feel the celebration and appreciation throughout the year to come!

Sincerely,

John Sumner
Chief Executive Officer
