

Bill Thorpe, Superintendent
Trigg County Public Schools

May 1, 2024

As our school year closes out, I would like to take this opportunity to thank you and celebrate all of you during Teacher Appreciation Week. This week we take time not only to celebrate you and all that you do for our students but also to reflect on our jobs as educators and the impact that it has on our students and our community.

You, as teachers and staff at our schools, should be celebrated each and every day for all that you do. Every day you go above and beyond for your students. You not only care about their education, but you care about who they are as people. You make sure that they have the tools that they need to be successful and you do it without complaint.

I am so proud and honored to work alongside all of you. You show me what it means to be a Wildcat and the pride that comes with being a part of Trigg County Public Schools. I hope that you continue to be proud of the great work you have done and will continue to do for our students and our community.

Thank you again for all that you do. I hope you have a fun and relaxing summer vacation and I look forward to working with you again next year.

Sincerely,

Bill Thorpe,
Superintendent
