Dear Broadcaster,

Attached are two (2) separate forms for your representation by RMLC in future negotiations and, as may be necessary, litigation with ASCAP and BMI.

Any station or station group wishing to have RMLC represent it in rate setting license negotiations and/or litigation with ASCAP or BMI for the term January 1, 2022 – Dec. 31, 2025 must execute the requisite forms. Please note that you may choose to be represented by RMLC for just one of these Performance Rights Organizations, for both, or for neither; it is entirely up to you. **Should you choose to be represented by RMLC with respect to both ASCAP and BMI, you must sign and return both forms. Unless you are declining RMLC representation, you must also list your Authorized Stations on the attached Exhibit A** (one list will suffice for both ASCAP and BMI).

Please execute and return the applicable attached authorization forms and station list by no later than **September 15, 2021** to the following email address: **INFO@RADIOMLC.ORG** [If you prefer, the forms may also be mailed to the physical address below. Please be sure to retain a copy of the forms for your records.]

We thank you for your prompt attention to these matters.

Sincerely,

A handwritten signature in black ink that reads "Bill Velez". The signature is written in a cursive, slightly slanted style.

William Velez
