<p><b>Menu Option #14</b> <i>Provision of training to management as to methods of ensuring equal employment opportunity and preventing discrimination</i></p> <p>The Lotus Communications Corp. Annual Managers' meeting was held Monday, December 6 through Thursday, December 9, 2021. Part of the corporate agenda was dedicated to our continuing effort to review and provide information and training to ensure equal opportunity and the prevention of discrimination. All station management personnel held individual meetings with the Chief Compliance Officer to review and discuss the on-going effort to provide equal opportunities for current and future job openings. As part of the procedural review all menu options were examined to determine their effectiveness and how to proceed and enhance the individual station Outreach program. The stations are encouraged to create Outreach campaigns that reach a diverse and significant portion of the community they serve. Although, the FCC is now permitting broadcasters to meet their obligation to widely disseminate information about their job openings solely through the use of online recruitment sources Lotus requires stations to constantly review our recruitment lists and inform those organizations who wish to be notified of job openings. In addition, Lotus stations conduct monthly EEO meetings reinforcing their non-discrimination mission statement and provide an opportunity to discuss upcoming and future Outreach programs. In addition Lotus is requiring quarterly reports outlining the Outreach activity for that quarter enabling stations to be more aware of their commitment to the community.</p>	<p>December 6 through Thursday, December 9, 2021</p>	<p>Christine Zeinali Kane Biscaya</p>	<p>Omni Hotel and Resorts</p>
