Dear InterTech,

We have requested that you create and submit certain Skills to Amazon.com, Inc. ("Amazon") for use on Amazon Alexa enabled products.

Our company is the true and sole owner of all of the trademarks, intellectual property and branding associated with the content for submission to Amazon for the expressed purpose outlined in this letter.

Please feel free to have Amazon contact me directly with any questions of comments they may have about this letter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mike Paterson', is written over the typed name and title.
