

**2020 CAJUN WOODSTOCK FOR ST. JUDE CHILDREN'S HOSPITAL, INC
HAS BEEN POSTPONED DUE TO THE COVID 19 VIRUS**

We have been monitoring the situation with the Covid-19 virus and the seriousness of such, it is not recommended to have gatherings of 50 or more in order to protect Health and Wellness of the people. We are following those recommendations and with heavy hearts and sadness, we have POSTPONED our 18th Annual Cajun Woodstock for St. Jude Children's Hospital.

As soon as we have finalized information and set a date, we will be in contact with each of our sponsors/vendors/bands and everyone involved that has continued to support us. We ask for patience and understanding during this difficult time.

We are already looking forward to hosting our 18th Annual Cajun Woodstock for St. Jude's Children and hope sponsors, vendors, bands and the community will join us again.

Thank you to each and everyone for your support in this life saving mission and god bless you all.

We are...CAJUNS AGAINST CANCER
